

P&C Principal's Report 8 May 2023

ANZAC Service

ANZAC Day and ANZAC Assembly were held in the first week of term. Our students were exceptional at both events, and I wish to acknowledge the leadership of Ms Carboni for coordinating these services. We have received a lot of positive feedback from the community, so thank you and well done to all involved.

Choir Assembly

Last Friday 5 May we held the choir assembly. The Year 3/4 and Year 5/6 choirs sang a repertoire of songs from popular musical theatres' Annie and Wicked. The students are to be congratulated on their preparedness and beautiful singing at the assembly, it was lovely to hear. A special mention to Miss Hammond for coordinating the choirs.

Cross Country

We are looking forward to the annual Cross Country on Wednesday 31 May. The students have been preparing for the event during their Physical Education lessons. Further information will be distributed to parents in the coming weeks. A huge thank you to Mrs Kate Hewett for all her organisation of the event.

School Development Day

The School Development Day scheduled for Friday 2nd June is coming quickly. We will be looking at best practice in Mathematics with the intent to develop our whole school program focusing on extending student achievement and progress. We are also hoping to spend some time analysing the 2023 NAPLAN and On Entry data to review our progress and set targets for the next Business Plan.

Reports

The teachers are currently in the process of collating student achievement data and writing student reports. Reports will go home Monday 26th June and aim to provide a summary of your child's achievement, attitude, behaviour, effort and progress in personal and social learning. They provide information about how your child has achieved against the Western Australian Curriculum and areas for improvement. Please contact the class teacher if you require any further information about your child's progress.
